

Interns

Purchasing / Sourcing / Procurement

Location Poing near Munich

Tasks:

- Purchasing quality management
- Environmental management
- Hazardous substances
- Legal and government regulations
- REACH
- Project plan
- Supplier development
- Management review

Requirements:

You are striving for success and pursue your goals with self-confidence. You have solid MS Office skills and a very good command of English and German.

You possess good team skills, reliability, creativity and a structured work style.

With over 1560 employees worldwide and 35 international locations the Schlemmer Group is a company with activities in the automotive supplier industry, mechanical engineering, electrical equipment wholesale and renewable energies geared for expansion and growth.

What you can expect from us:

- Interesting topics and challenging tasks
- Flexible time/work arrangement (hourly basis is possible as well)
- Active professional support by a young, committed team of engineers and technicians
- PC workstation for your exclusive use (depending on tasks assigned, work may also be performed at home)
- Adequate remuneration
