

REACH

Regulation for Registration, Evaluation, Authorization and Restriction of Chemical substances (1907/2006/EC)

April 2011

Dear Customer,

Schlemmer GmbH is an importer in accordance with Article 11, as well as a downstream user in accordance with Article 3 Section 13.

Import of Products

Schlemmer GmbH imports products from non-EU suppliers. On the other hand composites, materials and monomers are acquired within the EU.

The registration of these materials and monomers is carried out by the EU-supplier. The suppliers have already confirmed their intent of registration. A loss of delivery or delay of our products with regard to deadlines is thus not to be expected.

As an importer of products Schlemmer GmbH has complied with its information duty in accordance with Article 33 (1) REACH and will contact you immediately if the limit value of 0,1 % (w/w) of SVHC's (Substance of Very High Concern) is exceeded in any product.

Currently the SVHC detailed material Bis(2-ethylhexyl)phtalat (DEHP), CAS 117-817 (Plasticizer), can be detected in some items. The article numbers of the currently regarded items can be found any time under the link www.schlemmer.com.

DEHP will probably need an approval as of the year 2015. Schlemmer GmbH is however, not affected, as an importer of products by the obligation to obtain a license for this material.

Downstream User

Schlemmer GmbH as user of chemical materials/mixtures meets its duties as downstream user, in accordance with Article 37 - 39 REACH.

All relevant information is provided for you in the safety or information data sheet.

For general inquiries concerning the REACH issue, please feel free to contact the below mentioned person in charge at any time:

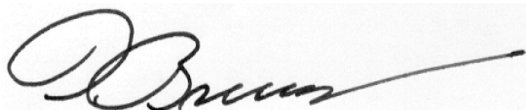

Michaela Herzner
