Mounting Tools

Overview Mounting Tools

Universal Mounting Tool Small
- for NW Normal Profil: 4,5-7,5
- for NW AHW: 4,5-6
- Art.-No.: 9001511
- PU: 1

Universal Mounting Tool Big
- for NW Normal Profil to 12
- for NW AHW to 11
- Art.-No.: 9001543
- PU: 1
- for NW Normal Profil from 12
- for NW AHW from 11
- Art.-No.: 9001550
- PU: 1

Mounting Tool Metal
- for NW Normal Profil 4,5
- for NW AHW 4,5
- Art.-No.: 9001524
- PU: 1
- for NW Normal Profil 7,5
- for NW AHW 6
- Art.-No.: 9001527
- PU: 1
- for NW Normal Profil 10
- for NW AHW 8,5
- Art.-No.: 9001530
- PU: 1
- for NW Normal Profil 13
- for NW AHW 11
- Art.-No.: 9001533
- PU: 1
- for NW Normal Profil 13S
- for NW AHW
- Art.-No.: 9001534
- PU: 1
- for NW Normal Profil 17
- for NW AHW 15
- Art.-No.: 9001537
- PU: 1
- for NW Normal Profil 22
- for NW AHW 19
- Art.-No.: 9001542
- PU: 1
- for NW Normal Profil 23S
- for NW AHW
- Art.-No.: 9001545
- PU: 1
- for NW Normal Profil 29S
- for NW AHW
- Art.-No.: 9001544
- PU: 1

Fiber Optics Tool Metal
- for NW: 3
- Art.-No.: 9001539
- PU: 1

Fiber Optics Tool Metal
- for NW: 3
- Art.-No.: 9001540
- PU: 1
Mounting Tools

For selflocking corrugated tubes

Operating Instruction suitable for slit corrugated tube

1 Insert Fiber optics into the tool.  
2 Insert the tip of the tool into the slit corrugated tube.

Operating Instruction suitable for slit Corrugated tube

1 Slide tool over loose wires.  
2 Press the tool together lightly and insert into the self-locking corrugated tube.
Operating Instruction suitable for lockable Corrugated tube

1. Slide Closing tool over the Wires.
2. Place front edge of the Closing tool directly on the fastening seam of the corrugated tube.
3. Slide Closing tool over the Corrugated tube.
4. The Corrugated tube locks itself by being pressed down on one side and at the same time being „hooked“ into the lock mechanism.
5. Completely locked Corrugated tube.

The Schlemmer Group is a global technology expert, which has focused on the development and production of industrial solutions, including the area of sensitive electrical installations. Drawing on 60 years of experience in cable protection, the Group has evolved into a leading and comprehensive value added supplier. In addition to the traditional business segment Automotive, the Schlemmer Group operates in numerous other industries with its business segments Industry and Appliances.
