Cutting Pliers

for Schlemmer corrugated tubes

Cutting pliers
for slited corrugated tube UFW

Corrugated Tube Plier
with 3 spare blades

Universal cutting pliers
for unslited corrugated

APPLICATION

Cut on the crest

All Schlemmer corrugated tubes are cut on the crest. This avoids the abrasion of inside lying wires.

The Schlemmer Group is a global technology expert, which has focused on the development and production of industrial solutions, including the area of sensitive electrical installations. Drawing on 60 years of experience in cable protection, the

Group has evolved into a leading and comprehensive value added supplier. In addition to the traditional business segment Automotive, the Schlemmer Group operates in numerous other industries with its business segments Industry and Appliances.
